

MAIDSTONE STREET PASTORS

Street Pastors was set up 13 years ago with the help and support from Maidstones Churches. We require your help for this valuable service to continue.

We are recruiting volunteers to join our teams of Street and Prayer Pastors

Do you have heart to engage with people on the streets? This includes those who are enjoying Maidstone's night life and the homeless.

- Can you give approx 5 hours a month?
- Training and uniform provided.
- Could you help support our work?
